Narrative

Unknown white male suspect pulled a gun and pointed it at the victim's face.

On 09/23/16 at 1040 hours, I was dispatched to the area of Fifth and Delaware in reference to a man with a gun. According to the call notes, a male had a gun pulled on him. I was updated on my way to the call that the suspect vehicle was a black Chevrolet Impala bearing TX LP [REDACTED]. The suspect was last seen traveling WB on Fifth Street and the victim was not following. I checked the area and was not able to locate the suspect. The caller disconnected with dispatch and would not answer the phone when attempted to call back.

At 1053 hours, I was dispatched to 2000 E. 356 (Waffle House) to speak with the victim of the previous call. I arrived a short time later and spoke to VIC-H [REDACTED]. He told me that he had a gun pulled on him at a gas station. He described the gas station as being at Fifth and MacArthur near where you can park and get out to walk on a trail. I asked him if he thought it might be the gas station at Sixth and O'Connor and he stated he believed that was the correct gas station.

Henry went on to tell me that he got out of his car and went inside the gas station. When he came out he saw a younger, white male wearing a red shirt was looking at him. [REDACTED] said he could tell the suspect was upset that he was with a white woman. The suspect got into his car and began speaking to a white female. [REDACTED] said that he could read his lips and was calling him racial slurs and talking about him being with a white woman. [REDACTED] said that he rolled down his window and said "what's up". The suspect rolled down his window and "what's up". [REDACTED] got out of his car and walked near the suspect. At that point, the suspect got out and pulled a gun from his pants. The suspect pointed the gun and [REDACTED] face, which caused him to fear for his life. [REDACTED] said that he walked

Narrative

back towards the rear of his car and raised his hands. He said that he did not confront him anymore and walked away. The suspect continued to speak and took off his shirt.

[REDACTED] said the car the suspect was in was either a black Malibu or Impala bearing TX LP [REDACTED]. The suspect LP, which is in the report came back to a black Chevrolet Impala out of Harleton, TX.

The white male suspect was described as being a younger white male. He was short (505-507) and small build. He had short hair and several tattoos all over his chest and arms.

[REDACTED] completed a written statement, which is included in the report.

After speaking to [REDACTED] I went to 401 W. Sixth Street (El Ron's) to see if I could watch the video footage. The clerk there attempted to show me the video but we could not see anything due to not knowing how to work the system.

The report was forwarded to Crime Scene so they can attempt to get the video.

Narrative

On 09/23/2016 I, Investigator D. Tull II #956, received the routing in reference to a video of the offense possibly being at the location. At approximately 2100hrs I went to the store located at 401 W Sixth St and spoke with the owner and clerk. The clerk stated that he was on duty during the time frame when the incident occurred and he did not see anything or know where the people were located. The owner provided me access to the computer system which had the security camera footage. I was able to watch the video and determined that on Camera 14 (which points South towards Sixth St from the south wall of the building, above the entry door) at approximately 1034hrs a black Impala is seen pulling into a parking space. A W/M and a W/F exit the vehicle and enter the store. A short time later a Black SUV (Chevrolet Tahoe) pulled into the location and a B/M and W/F exited and entered the store.

A couple minutes pass and the occupants of the black Impala exit the store and enter the vehicle. A short time later the B/M and W/F exit the store and enter the Tahoe. The video angle is not the greatest but it appears that the Tahoe begins to back out and the B/M exits the front passenger door and walks towards the driver's side of the Impala. As the B/M gets to the back driver's side quarter panel he stops and takes a couple steps back and then enters the Tahoe. The Tahoe then leaves the location. A short time later the Impala is seen exiting the parking lot.

Based on the statements in the initial report, I did not observe the W/M exit the vehicle and produce a handgun or take off his shirt. It is possible that the W/M produced a handgun from the driver's seat but I don't believe he exited the vehicle.

I made a copy of the file and copied it to my department issued USB thumbdrive. The only file format I could make the copy in was a .DAV file. This file was uploaded to the DCS Server.

Nothing further at this time.

defendant did in fact have a firearm in which he pulled out and pointed at the victim. The defendant was arrested the next day, 09/24/2016, by Grand Prairie Police Department for being in possession of a firearm by a felon (unrelated to this incident) along with other felony charges. [REDACTED] positively identified the defendant as the person who pulled out the firearm on the victim. The defendant is a 14 time convicted felon, per his Computerized Criminal History.

I. Introduction

On 09/24/2016, Sgt. Swann assigned this case to me. On 10/17/2016, the victim called me about his case. I made an appointment with him to come in for an interview on Thursday, 10/20/2016.

As I was looking at this report, it was found that the address listed in the report was the location that the officer met with the victim to make the report. The actual offense occurred at the S&D Food Mart, 401 W. 6th Street.

CSI Tull told me that he had recovered the video from the location, but that he was having trouble making it work on our systems. He finally gave me a copy of a converted video of the altercation.

III. The Surveillance Video

On 09/29/2016, I viewed the converted video provided by CSI Tull. It plays in a Windows Media Format. The video plays for a while before the altercation happens. On the Windows Media Player timer, at 14 minutes and 30 seconds, [REDACTED] walks out of the store. At this point, the suspect and his girlfriend are already in the black

Narrative

Chevy Impala. [REDACTED] window is up. Just as [REDACTED] reaches the driver's door of her Tahoe, [REDACTED] opens his door rapidly. It appears, although there is no sound, that there are some words exchanged between [REDACTED] and the suspect. Words are continued to be exchanged until 14 minutes and 55 seconds.

At 14 minutes and 55 seconds, [REDACTED] starts backing up the Tahoe. She backs up a few feet with [REDACTED] door still open. After a few feet, [REDACTED] jumps out the vehicle and starts to walk over the driver's door of the black Impala. You can see that [REDACTED] is saying something to the suspect loudly. He continues walking toward the door of the Impala until he is about a foot or two away. You can see the suspect fling his right arm from the center of the car to the window. You cannot see a gun or any other weapon. But, [REDACTED] sees his arm and says that he had a gun in it. [REDACTED] reaction on the video does seem consistent with him seeing a gun. [REDACTED] freezes, puts his arms up and begins walking backward toward the back of the car. He moves around directly behind the car, and then goes back to the Tahoe. The suspect backs out and drives away.

The male suspect is described as a white male, with a slight beard. He never faces the camera so there is not a face shot. He appears to be skinny. He was wearing a red t-shirt and jeans as well as a dark color baseball hat. The white female that is with him is wearing jean shorts and a white t-shirt and flip flops. The camera view is decent and the suspect could be tentatively identified if we find out who he is.

The surveillance video was uploaded into DCS.

On 01/17/2017, after talking to witness [REDACTED], I reviewed the video again. She had told me during her interview that the victim had approached [REDACTED] with a knife and threatened him. I reviewed the video very closely and I cannot see a knife in [REDACTED] hand. As he gets out of the vehicle, he is holding his right arm down to his side, but then when the gun comes out, [REDACTED] throws up his arms. It does not appear that he is holding a knife in either hand. AS he walks back to his vehicle, he raises his right hand and appears to open it revealing he is not holding anything. He also uses his right hand to open the car door, and has his left hand open up against the Tahoe. Again, there does not appear to be anything in his hands.

II. Interview with the Victim - [REDACTED]

On 10/20/2016, the victim, [REDACTED] came in for an interview. [REDACTED] had brought his wife, [REDACTED], with him. They were brought into CID lobby. [REDACTED] waited in the lobby while [REDACTED] was taken into interview room #1.

I asked [REDACTED] to tell me what happened. He said that he and his wife went to the convenience store at 6th and O'Connor. His wife, [REDACTED] went in the store while he stayed in the vehicle. The suspect and his girlfriend went in to the store as well. They came back out to their car and got in. He said that the guy kept looking on him and was mouthing words. [REDACTED] aid that he was reading the guy's lips. [REDACTED] said that the guy was calling him a "Nigger" and talking trash about him being with a white woman. This angered [REDACTED]

[REDACTED] said that the guy kept staring at him and continued to mouth words at him. ([REDACTED] window was up, so it would be doubtful that he could hear the guy). As [REDACTED] reaches the vehicle, [REDACTED] opened the door and asked the suspect "what's up?" The suspect also replied "what's up!" [REDACTED] said that [REDACTED] was trying to talk him into not getting out. [REDACTED] said that the guy said something else but he wasn't sure what it was. [REDACTED] backed up the vehicle while [REDACTED] had the door still open. He jumped out of the Tahoe. He walked up the driver's door of the Impala. [REDACTED] admitted that he might have said that he was going to fight him.

[REDACTED] said that the suspect pulled a gun from the center of the vehicle with his right hand and pointed it out the window. [REDACTED] said that he stopped and backed up to the rear of the Impala. He then walked back to his vehicle and told the suspect "ok, you win!" He got back in the Tahoe. The suspect drove off.

He was informed that I didn't have a suspect identified yet but if I were able to get one identified he would be notified.

We talked for a few more minutes and the interview was ended. This is just a summary of the interview.

III. Interview with Witness [REDACTED]

Incident Report

Irving Police Department

Supplement No
0002

Narrative

I brought [REDACTED] into the interview room #1.

[REDACTED] told me that she went into the store to buy cigarettes. She stood in line behind the suspect and the female friend. She said that no altercation once so ever happened inside the store between her and them. She said that she paid for her cigarettes and went out to her Tahoe. She said when she got in, she saw that [REDACTED] was in a verbal altercation with the suspect. He had opened his door and they were yelling at each other.

[REDACTED] said that she tried talking [REDACTED] out of getting out and confronting the suspect. She said he is usually very confrontational. She even tried just backing out to leave, but [REDACTED] got out and challenged the suspect anyway. She said she saw the suspect reach down to the center of the vehicle and pull out a pistol. He then crossed his body with the pistol in his right hand and pointed it out the window. The suspect did not point the pistol at [REDACTED] but it was in his direction. She said she saw [REDACTED] then stop advancing on the car. [REDACTED] went behind the suspect's car and then got back into the Tahoe.

She said that the suspect backed out and left so she went the other direction. I asked her if the suspect had pointed the gun at [REDACTED] and she said that he did not point it at his head, but it was pointed in his direction. She said that it seemed to her that the suspect was making [REDACTED] aware that he had one, and that he needed to back away.

We talked for a few more minutes and the interview was ended. This is just a summary of the interview.

IV. The Suspect Vehicle

I checked the license plate for the suspect through ARS, CLEAR and NDEX. I did not find any information. It is registered to an elderly male named [REDACTED] in Harleton, Texas. I did not find any links of this vehicle to a male matching the description. The vehicle was a black 2004 Chevy Impala.

I checked NVLS and found that its license plate had been hit by a LPR while driving on Nursery at Shady Grove in Irving. It was also possibly parked at Renfro and Center Streets in Grand Prairie, as well as parked next to the Tarrant County College Campus in downtown Ft. Worth. It was parked along Taylor Street. The NVLS report for Renfro and Center Street was added to the case.

On both 10/20/2016 and 10/21/2016, I drove by Renfro and Center Streets to attempt to locate the vehicle. I did not locate it.

On 01/13/2017, I called the registered owner. [REDACTED]. He lives out in Marshall, Texas near the Louisiana border. He said that his grandson's ex-wife, [REDACTED] stole the car from him and took it to Irving. He said that the Dallas PD found his vehicle, but it was stripped. They towed it to their auto pound. [REDACTED] insurance company, Allstate, totaled the car and took possession of it. He also told me that he has not registered it since May of 2015, even though the registration shows his name and that it was done in September of 2016.

I began looking into [REDACTED] and found that she was associated with a person named [REDACTED]. He is currently in Dallas County Jail. He was arrested in Grand Prairie on 09/24/2016, the day after this offense occurred. He was also arrested for Unlawful Possession of a Firearm by a Felon, Unauthorized use of a Vehicle and Evading Arrest in Vehicle.

As I looked at his mugshot, I was able to tentatively identify [REDACTED] as the person in the video. He has the same stature, sideburns, height, weight, and haircut. The video is not clear enough to positively identify him, solely from the video.

I found in a recent Irving report (16-18045) from August that [REDACTED] were together and appeared to be boyfriend/airfriend. I pulled a DL photo of [REDACTED] and I was able to positively identify her as the female that is with [REDACTED].

V. Phone Interview - [REDACTED]

On 01/17/2017, I called [REDACTED] back after she left a message on my voicemail. An audio recording was made of the interview. I asked her to come in for an interview, but she said that she was living in Harleton,

Narrative

Texas and could not come in. I conducted a phone interview.

I asked [REDACTED] about the incident. I gave her a reminder that it happened the day before [REDACTED] was arrested in Grand Prairie. She didn't recall at first, but after I told her that [REDACTED] had pulled a gun on a guy in the parking lot, she remembered it. She told me that the "black guy" and [REDACTED] got into it. She told [REDACTED] "Oh my God, what are you doing?" I asked why [REDACTED] pulled the gun out. [REDACTED] said that she did not know because she didn't even know that he had the gun. I asked if [REDACTED] was her boyfriend at the time. She said that he was. She said that she didn't live in Irving, she would just come here to see him. She said that it turned out that he was a "little screwed up" and had lots of problems. His girlfriend was killed in a car wreck where he was driving intoxicated.

I asked [REDACTED] she remembered where it happened. She said it was a little "itty bitty" convenience store. She said she remembered the guy being black. I asked if the victim did anything to make [REDACTED] pull out a gun. [REDACTED] said the black guy had a knife. She said that the victim walked over to the car. The victim was threatening him with a knife. [REDACTED] pulled his gun out. She said that the gun was stolen and was the same gun he was arrested with. [REDACTED] was not with him when he was arrested.

I asked if there was anything that happed inside the store. She said that there was nothing that she saw. [REDACTED] said that [REDACTED] was an Aryan Brotherhood gang member.

I asked who she thought was in the wrong. She said that both of them were in the wrong. She said that neither of them should have pulled out weapons. She said that she did not know who said what first. I asked [REDACTED] if she physically saw the knife and she did. She told me that it should be all on video. I told her that it was on video, but that I did not remember seeing a knife in his hand. I have since watched the video again more closely. I did not see anything in the victim's hands and he opens both of them up at different points in the confrontation. [REDACTED] then told me her cell phone was about out of minutes. She wanted me to call her back on another line. I did.

As we continued our conversation, [REDACTED] said that she could be mixed up about the knife, saying that the victim may or may not have had a knife. I asked what kind of gun [REDACTED] had. She said that it was black gun. She then said that it could have been silver, but she was not really sure.

I asked about the car. [REDACTED] said that the black Impala was her car. She told me that it was currently, last she knew, in the Grand Prairie Police Impound.

I clarified that it was [REDACTED] that was in the car. She said that she knew he was 32 years old. She then told me his middle name was [REDACTED]. She indicated that she was talking about the same person I had identified as the suspect.

We talked for a little bit and the interview was ended. This is just a summary of the interview. For the full interview, please refer to the recording.
